Important Points for First Year Students

1. As the subject allocation is based on **First-Come-First-Serve** basis, the Form Filling Frequency is 100 forms per minute, so students must ensure their availability to fill the form as and when google form activated.
2. Students must check syllabus and pre-requisites of subjects to be opted.
Link :- <https://www.du.ac.in/index.php?page=nep-ugcf-2022-syllabi>
3. Generic Elective Subjects **must not** same as their core department subjects.
For Example: -
 - a. English (Hons.) Students must not choose GE of English Department
 - b. B.A.Prog.(English + Political Science) Students must not choose GE of English and Political Science
 - c. Science Programme Course Students must not choose GE of Mathematics, Computer Science, Chemistry and Physics.
4. Any issue arises due to opting wrong subjects will be student's responsibility. Office will not check the opted subjects.
5. Students must choose 3 different preferences in Option Form, so that allotment will be done correctly.
6. Decision of Academic Planning Committee will be Final.
7. Offered Subjects by Departments:-

For the Students admitted in B.A.Programme, Students have to opt a Major Subject and a Minor Subject

Major Subject means that you have to study 2 different papers of one Discipline subject out of which you have taken admission and 1 paper of Minor, i.e., Total 3 Main Paper. Also Student cannot choose any 3rd Subject other than 2 subjects on the basis of which student was admitted. Once Opted, Major Paper only be changed in Semester 3.

Example 1:-

a student who has taken admission in B.A.Prog. (English + Pol.Sc.) can take English as Major (means 2 papers of English to be studied) and Pol.Sc. as Minor (means 1 paper of Pol.Sc. to be studied)

Example 2:-

a student who has taken admission in B.A.Prog. (English + Pol.Sc.) can take Pol.Sc. as Major (means 2 papers of Pol.Sc. to be studied) and English as Minor (means 1 paper of English to be studied)
