

SEC for Semester 3 and 5		Sem 7 SBC
English (Room 125)	Communication in Everyday Life Communication in Professional Life Public Speaking in English Language and Leadership	
Journalism	Content Development and Media for Children	
Business Economics (Room 336)	Personality development and communication Life Skill Education Personal Financial Planning	
Economics (Room 232)	IT Skills and Data Analysis 1 Basic IT Tools Advanced Spreadsheet Tools	
History (Room 232)	Sustainable Ecotourism and Entrepreneurship	
Hindi (Room 131)	Rangmanch Patkatha Lekhan Rachnatmak Lekhan	
Mathematics (Room 231)	Latex typesetting for beginners Network Flows	
Political Science (Room 126)	Political Leadership and Communication Negotiation and Leadership	Conduct of Elections in India: Voters, Candidates and Campaigns Your laws, Your Rights Public Opinion and Survey Research
Commerce (Room 130)	Innovation and Entrepreneurship Developing Sustainability Plans for a Business Finance for Everyone Digital Marketing	
Chemistry (Chemistry lab)	Healthy & Sustainable Food Choices, Dairy Processing (Eligibility : 12 th with PCM/PCB)	
Physics (Room 113)	Basic IT Tools, Statistical Software package Prospecting E-waste for Sustainability Practices in horoscope 1, Dairy Processing (Eligibility : 12th with PCM/PCB)	Document Preparation and Presentation Software
Biology (Biology Lab)	Mushroom Culture and Technology-1	
Other	Working with People, Practices in Horoscopes -1	

Value Addition Courses (VAC) Semester 3

English (Room 125)	Culture and Communication Ecology and Literature Emotional Intelligence Social and Emotional Learning
Hindi (Room 131)	Bharatiya Bhakti Parampara aur maanav mulya Sahitya Sanskriti aur Cinema
Mathematics (Room 231)	VAC-I Vedic Mathematics-I Only for 1st sem VAC-I-II-III For III SEM 1. Vedic Mathematics-I 2. Vedic Mathematics-II 3. Vedic Mathematics-III
Physical Education (Room 22)	Fit India
Political Science (Room 126)	Swachh Bharat Ethics and Values in Ancient Indian Tradition Gandhi and Education Constitutional Values and Fundamental Duties
Commerce (Room 130)	Financial Literacy Digital Empowerment
Physics (Room 113)	Vedic Mathematics-I Vedic Mathematics-II (must studied Vedic Mathematics-I) Digital Empowerment
Other	Ethics and Culture

Department	Generic Elective (GE) for Semester 3 (only for B.A.Prog. Eng+Maths, Eng+Pol.Sc., Hindi+Maths, Hindi+Pol.Sc. and other Hons. And B.Sc.Prog courses)	Generic Elective (GE) for Semester 5	Generic Elective (GE) for Semester 7
English (Room 125)	Readings on Indian Diversities and Literary Movements	Literature and Human Rights (B.A.Prog. only) Dystopian Writings (courses other than B.A.Pr)	Language and Culture Indian English Literatures
Business Economics (Room 336)	Economics of Start-up	Economic Policy Framework	International Economics
Computer Science (Room 218)	Database Management System	Advance Web Programming (Basic knowledge of HTML required)	
Economics (Room 232)	Theory of Public Finance	Essentials of Economics (for Prog.) Basic Development Theory (for Hons.) (mandatory for students who are aiming for a Minor degree in Economics)	1: Money and Banking 2: Principles of Microeconomics 2 (prerequisite : should have done Principles of Microeconomics 1)
History (Room 232)	Politics of Nature	World History	
Hindi (Room 131)	Hindi ka Vaishvik Paridreshya	Hindi Sahitya ka itihās (adhunik Kaal) (for Hons.) Pravasi Hindi Sahitya (for B.A.Prog.)	Hindi Sahitya ka itihās (bhag-1) (for Hons.) Paper 1 (for B.A.Prog)
Journalism (Media Lab)	Television Journalism	Basics of Photography	Web Journalism
Mathematics (Room 231)	Differential Equation	Elementary Mathematical Analysis	Applied Algebra
Physical Education (Room 22)	Olympic Education	Lifestyle Management through Physical Education	Introduction of Sports Training
Political Science (Room 126)	Western Political Philosophy	Digital Social Sciences	Introduction to Public Policy Politics of globalization
Commerce (Room 130)	Investing in Stock Market (Not a mandatory GE) Financial Statement Analysis (Mandatory GE for Minor) This GE is for those students who wants to minor in commerce and pursue one year m.com. from delhi university after 4th year	Fundamentals of Human Resource Mgmt. (for hons. Courses only) Marketing for Beginners (For Prog. Courses only)	Indian Ethos and Management E-Commerce
Electronics (Room 331)	Artificial Intelligence and Machine Learning (Basic knowledge of Python language)		
Physics (Room 113)	Modern Physics	Atomic and Molecular Physics	

For B.A.Prog. Courses, the below chart will follow:-

Maharaja Agrasen College
University of Delhi

Courses	Sem1	Sem2	Sem3	Sem4	Sem5	Sem6
English + Economics	Hindi-A/B/C	GE-Pool	Hindi-A/B/C	GE-Pool	GE-Pool	GE-Pool
English + History						
English + Mathematics	GE-Pool	Hindi-A/B/C	GE-Pool	Hindi-A/B/C	GE-Pool	GE-Pool
English + Pol Science
